INTERNSHIP CERTIFICATE

This is to certify that **Shobhit Verma**, has successfully completed his internship in **Software Development** at Crisil Infotech from **06-Jan-2025** to **06-May-2025**.

During the internship, he was involved in various software development activities, including but not limited to:

- **Requirement Analysis**: Understanding project requirements and collaborating with team members to define solutions.

- **Application Development**: Designing, coding, and testing applications using modern programming languages and tools.

- **Bug Fixing and Optimization**: Debugging, fixing issues, and optimizing existing codebases.

- **Documentation**: Preparing technical documentation for the projects undertaken.

He demonstrated a strong work ethic, excellent technical skills, and the ability to work collaboratively in a professional environment. His contributions significantly enhanced the projects he worked on, and his dedication was commendable.

We wish him all the best in future endeavours and are confident he will excel in his career.
