

## Certificate of completion

On behalf of our entire team, I would like to thank Ms. Swechha Gupta of Madhav Institute of Technology and Science, Gwalior for her contributions as a web development intern at our company from February 1, 2021 to May 31, 2021.

I would like to appreciate her problem solving approach and professional behavior that she exhibited during the entire internship duration. She has been very efficient in delivering the tasks that were assigned to her and completed them in timely manner. She also participated in the testing processes.

We were grateful to have her as an intern with us and we recognize and value her contributions.

Regards,  
Paritosh Kumar
