In view of this, the department wants to accommodate 6 students whose internal supervisor will be provided by the department. External facility and guidance are desired from your end to fulfil the necessary criteria as per the final year scheme. List of students is also enclosed with this application. It is desired to provide the internship at several locations of Panna where the project is under execution, This internship will start from the second week of January 2022 to May 2022.
