Subject: Request to provide Internship for final year students of Civil Engineering Department, MITS, Gwalior.

Dear Sir,

Department of civil engineering is NBA accredited. Our institute is autonomous by UGC & NAAC accredited. We are offering a flexible scheme for B.Tech VIII semester students, as per which, they can do full semester internship and submit project report to avail the required 4/6 credits. In view of this, the department wants to accommodate at least 10 students whose internal supervisor will be provided from the department. External facility and guidance is desired from your end so that we can fulfill the necessary criteria as per the final year scheme. It is desired to provide internship at Gwalior where the project is under execution. This internship will start from first week of January 2022 to April 2022. Our request is desired to fulfill the academic requirement of final year student

Thanks & Regards,

  
Dr. M.K. Trivedi

Professor & Head

Department of Civil Engineering

Madhav Institute of Technology & Science, Gwalior
