Subject: Request to provide Internship for final year students of Civil Engineering Department, MITS, Gwalior.

Dear Sir,

As per our previous discussion, I would like to brief the internship requirements. Department of civil engineering is accredited by **National Board of Accreditation (NBA)**. Our institute is Govt. Aided **UGC** autonomous and **NAAC** accredited. We are offering a flexible scheme for B.Tech VIII semester students. They can do a full semester internship and submit a project report to avail the required three credits. In view of this, the department wants to accommodate 7 students whose internal supervisor will be provided by the department. External facility and guidance are desired from your end to fulfil the necessary criteria as per the final year scheme. List of students is also enclosed with this application. It is desired to provide the internship at several locations of Gwalior where the project is under execution. This internship will start from the second week of January 2022 to May 2022. Our request is desired to fulfil the academic requirement of final year student

Thanks & Regards,
