Subject: Intern Certificate

Dear Manoj,

Certification generation and documentation process is going to take 2-3 weeks' time due to various level approvals.

Will update you on further.

Regards,

"This is to certify that, I am submitting this document in place of original certificate and I will be submitting my original internship certificate in 3 week from today's date. If in any circumstances, I am unable to submit my original certificate, then my internship will be considered incomplete and I will be marked as "fail""
