## INTERNSHIP OFFER LETTER

To,

Mr. Vaibhav Yadav,

Sub: Offer Letter for Web Developer Intern.

We are very pleased to send you this letter confirming about your internship offer to work for our company ONISOL SYSTEMS as a Web Developer intern.

Onisol Systems is a Leading and Competitive IT Company offering quality Services in Software Development, Website Developments, Mobile Apps Development and Value added Services like Digital Marketing (SEO), Social Media Marketing, Industrial Training, IT support and Consulting.

We believe your skills and experience are suitable to work in our organization.

This position is scheduled to begin on 11-Jan-2023, and will be a four-month paid internship opportunity ending on 11-May-2023.

Your stipend would be Rs. 5,000. You shall serve a notice period of 15 days. Stipend will not be adjusted against any shortfall in the notice period.

We are very pleased to have you in our team and contribute your skills and experience towards the growth of our organization.

Sincerely,  
Project  
Upendra Tyagi

Project Coordinator  
ONISOL SYSTEMS
