

INDIAN INSTITUTE OF TECHNOLOGY & SCIENCE, GWALIOR
Department of Electronics Engineering
(ELECTRONICS)
"To Prepare Globally Competent Electronics Engineers for
Workforce Challenges and Future needs"
(ELECTRONICS)
To Provide quality education through need based curriculum and effective
teaching learning process.
To Foster professional ethics, leadership and enterprise skills with a
strong sense of global horizons.
To Impartability of employability skills through multidisciplinary program
and knowledge.
To Facilitate the spirit of innovation and research to serve the needs of the
society and industry.

2. Arithmetic Instructions
These instructions perform the
operations like:
addition
subtraction
increment
decrement

 **GPS Map Camera**
