Artificial Intelligence and Media Design Labs

## TO WHOM IT MAY CONCERN

This is to certify that Mr. Kunal , a student of B.Tech at Madhav Institute of Technology and Science, has successfully completed 5 months long remote internship, starting Feb 22nd, 2021, at Aimed Labs as a Product Designer.

During the period of his internship program, we found him to be very meticulous, punctual, hardworking and inquisitive.

We wish him very best for his future endeavors.
